"Mayor's Movements"

Mayor Warren Devlin has been busy over the past few days in Canberra as a part of the Far North Queensland Regional Organisation of Councils delegation.

The trip is seeing the North Queensland Mayors working collaboratively to lobby for upgrades to our region including the continued upgrades to our Shire road network and the Gilbert River Irrigation Scheme.

The FNQROC Canberra Delegation is in full swing. With 32 appointments scheduled over 3 days, the Hon Bill Shorten MP was one of the first cabs off the rank. We provided a briefing on a range of significant matters including investment in FNQ and key road planning priorities. It was the second time in the last year that we've met, and on both occasions the GBR was another topic the Leader of the Opposition was keen to hear local views on.
