

ROAD CROSSINGS

NOTES

1. Connections to existing mains to be carried out only with prior approval of Council with all fittings to be supplied ready for installation by the contractor.
2. Ends to valves to be temporarily sealed with adhesive tape.
3. All road crossings shall be directly aligned with property boundary and backfilled with no valve box, surround or marker post.
4. All dimensions are in millimetres.

DISCLAIMER

The authors and sponsoring organisations shall have no liability or responsibility to the user or any other person or entity with respect to any liability, loss or damage caused or alleged to be caused, directly or indirectly, by the adoption and use of these Standard Drawings including, but not limited to, any interruption of service, loss of business or anticipatory profits, or consequential damages resulting from the use of these Standard Drawings. Persons must not rely on these Standard Drawings as the equivalent of, or a substitute for, project-specific design and assessment by an appropriately qualified professional.
