

Mayor Michael Kerr, Douglas Shire Council

Moving back to Douglas in 2006, I have been a manager in Hospitality for most of my working career. Originally, from Melbourne and having spent 4 years in the United Kingdom I am very happy to call Douglas my home.

A Councillor with the Douglas Shire Council since 2016, and having lived with my husband in the region since 2002, I immensely enjoy my work on council and broader involvement in our fantastic local community.

Currently President of the Douglas Theatre Arts Group Inc., Homeless Animal Society and Boarding Kennels Inc. and Douglas Animal Welfare Group Inc., I also am a Director of Connected Communities FNQ, Bendigo Bank's charity arm, which has donated back over one million dollars to charities throughout our region.

I am a member of The Port Douglas Community Service Network, Port Douglas District Combined Clubs Inc., Mossman Botanical Gardens Inc. and the Cairns Animal Welfare Group Inc.
