4.	<b>DSDILGP Update</b>  <p>Comment from Jenny Elphinstone – The DA Rules state what must be included on a public notice, which refers to submissions to be properly must be received by a certain time.</p> <p>However, the DA Rules also refer the definition of a properly made submission to Schedule 2 of the Planning Act. The definition has a few more requirements that the time of the submission lodgement e.g. the residential or business address is required.</p> <p>It would be better that the public notice refers to Schedule 2 of the Planning Act when discussing third party appeal rights and properly made submission.</p>
