

Mayor Alister Gibson, Wujal Wujal Aboriginal Shire Council

I was proudly sworn in as Mayor of the Wujal Wujal Aboriginal Shire Council on 9 April 2024. I hold the Governance and Finance Portfolio, as well as all other portfolios under Council.

I am a proud and strong Kuku Yalanji man, born and raised in the beautiful Community of Wujal Wujal. This place is not just my home—it's the heart of who I am.

Over the four years, I have witnessed firsthand the progress our Community has made. I am committed to building on that momentum and making Wujal Wujal stronger and better than it has ever been before.

My passion and devotion to our people and country drive me every day. I believe that through unity, hard work, and cultural strength, we can overcome any challenge.

In December 2023, our Community endured the devastating impacts of Tropical Cyclone Jasper. But with great suffering comes the opportunity to ignite even greater passion and determination. As Wujal Bama, we are strong. We are united. By working together and standing side by side, we *will* achieve our goals.

The road ahead may not be easy, but it will be rewarding—and we will reach the outcome we are fighting for.
